#### Features of Take Your Pick:

- Rubberized barrel for easy grip – 6 ½” long
- One tip features putty
- Opposite tip has a spatula end, paper piercer, small and large stylus
- Comes with one putty refill
- #144107 \$14.00

#### Features of Take Your Pick Die Brush Tip

- Remove putty end and insert brush head into Take Your Pick tool
- Includes brush head and 2 foam pads
- Easily removes small cut pieces from intricate dies
- #149655 \$12.25

#### Tips:

- Be careful not to turn the putty end or the putty will ooze out. Replace the cover and only turn it when you are ready for a new tip

#### Applications:

- Use the putty end to pick up and place small embellishments like sequins
- Use spatula end to pick up adhesive backed embellishments like rhinestones
- Use paper piercing end to add stitching holes to a project
- Use stylus ends (small or large) to score cardstock or add some dimension to an item
- Add on Die Brush Tip allows easy removal of small bits from your intricate dies
