The brand new Stampin' Up! PaperTrimmer makes cutting for your papercrafting projects a snap.

Features:

- Light weight
- Size when closed 15 3/8" x 8 1/2"
- Includes 1 cutting and 1 scoring blade (replacement blades available)
- Includes imperial and metric measurements
- Rule and grid protected by durable plastic cover
- Imperial markings on cutting handle for precise measuring
- Right-side grid for cutting thin strips accurately
- When not required the extended arm snaps in place on left side of trimmer
- Rubber feet on bottom of trimmer for balance and stability
- Trimmer #152392 \$34.00
- Trimmer Blades #152391 (4 pack) \$16.25

Benefits:

- Arm easily extends to 17"
- Platform shows cutting to 6 1/4" and when arm is extended the 6 1/2" cut is displayed for precise measurement
- Easy to distinguish between blades – cutting blades are dark gray in colour and scoring are light gray
- Cutting blade is sharp and is a deeply set– cuts through all types of cardstock, glimmer paper, foils and specialty designer papers with ease
- Marking on the blades at the center point (top and bottom of blade) which lines up with the cutting channel on the permanent mat which allows user to “see” where the cut will be on their paper
- Grids are in imperial and metric and are included at the top, middle and bottom of the platform
- Cutting handle (clear one where blades slide up and down) has imperial measurements
- Imperial measurement in 1/8" intervals
- When you need a thin cut you can use the right grid for cuts up to 1 1/2"
- Cutting handle stays in place with a strong magnet
